**HOME PREPAREDNESS**

Now is the time to have your roof prepared in order to prevent the rain from damaging your expensive wall paper, goods in your warehouse, etc. We are the only firm thoroughly prepared to put on the famous Pitch and Gravel Roof, which outlasts any cement or brick walls waterproof, and our celebrated Peerless Preserving Paint, that has stood the test for many years, for painting shingle and corrugated iron roofs, etc. At Ring up 4981 and our genial Pete Higgins will call and give you an estimate on cost without any charge to you.
